

STATE OF MAINE
PUBLIC UTILITIES COMMISSION

Docket No. 99-027

January 27, 1999

PITTSFIELD WATER WORKS
Application for Approval of Issue
of Securities (§ 902) (\$900,000)

ORDER

WELCH, Chairman; NUGENT and DIAMOND, Commissioners

On January 15, 1999 the Pittsfield Water Works (the Water Works) filed with the Commission its application for authority to issue its bond in a sum not to exceed \$900,000 through the U.S. Department of Agriculture, Rural Development, at an annual rate not to exceed 5.0 percent. The debt will be paid over a term not to exceed 30 years.

The Water Works requires these funds for the purposes of locating a new public drinking water supply and the expenses of putting the water supply on line as more specifically detailed in the application.

Pursuant to an Amended Delegation Order dated January 9, 1996, in Docket No. 93-169, the Commission delegated to the Director of Finance its authority under 35-A M.R.S.A., Chapter 9, and 11, to approve water utility financing applications, including those that involve mortgaging utility property, for MMBB, RECDA and their successors. This delegation in no way limits the Commission's authority to review the decision of the Director of Finance pursuant thereto or to directly consider requests for variations. The Director of Finance's approval shall be in the form of an Order, copies of which shall be maintained in the files of the office of the Administrative Director.

Having reviewed the application of the Water Works, together with data filed in support of it, it is the opinion of the Commission that the proceeds of the issuance of the bond are required in good faith for the purposes enumerated in 35-A M.R.S.A. § 901. In approving this securities issue, consistent with normal practice and pursuant to § 902(4), the Commission does not imply approval of the Water Works' capital needs or capitalization ratio for ratemaking purposes, nor does this Order limit or restrict the powers of the Commission in determining or fixing any rate.

Accordingly, pursuant to the Amended Delegation Order dated January 9, 1996, in Docket No. 93-169, I

O R D E R

1. That the Pittsfield Water Works is hereby authorized to issue its bond in a sum not to exceed \$900,000 to be used solely for the purposes described in this Order, and at a rate not to exceed 5.0 percent per year through the U.S. Department of Agriculture, Rural Development, for a term not to exceed 30 years.

2. That the Water Works report to the Commission, in writing, its doings pursuant to this Order within sixty (60) days of the date of the issue of the proposed bonds, or by June 1, 1999 whichever may come first.

3. That a copy of this Order be mailed to interested parties and this Docket be closed.

Dated at Augusta, Maine, this 27th day of January, 1999.

BY ORDER OF THE DEPUTY DIRECTOR
OF FINANCE

Richard Kania
Deputy Director of Finance
